2007 Virginia AAA State Wrestling Championships

STAT NOTES

SEEDINGS

Number-one seeds won 11 of the championships, while two number-two seeds and one number-three seed claimed the other three. Eleven Region Champions, and number-one seeds, failed to place in the top eight. All State honors (top eight placers) were won by the following seeds: 45 number-one seeds; 27 number-two seeds; 27 number-three seeds; and 13 number-four seeds.

STAT FACTS

- For the first time in many years, State Championship fans were treated to an exciting team race, as Colonial Forge dethroned Great Bridge for the team Championship. It was the first loss for Great Bridge after a run of nine straight titles (and 18 of 20 years since winning their first title in 1987). Colonial Forge pulled off the feat by bringing 11 wrestlers to the tournament and placing 10 of them. Next year could be another tight race as Colonial Forge returns five and Great Bridge returns three placers from this tournament.
- **Collin Dozier**, 130/Cox, completed his high school wrestling career in true champion form, by winning with four pins. He also joins the exclusive Four-Time State Champion club, becoming only the 9th AAA wrestler to do so. Collin is ranked 5th nationally for seniors by USA Wrestling magazine. He completed his career with a record of 181-11 (119 pins) and heads to Michigan State in the fall.
- **Matt Jones**, 171/Robinson, claimed his second championship, completing his high school career with an excellent record of 186-20 (120 pins). Matt is ranked 23rd nationally for seniors by USA Wrestling magazine.
- **Eric Olanowski**, 112/Kellam, ended his high school career with a championship and an undefeated season of 38-0, and career record of 188-13. Eric is ranked 1st nationally for seniors by USA Wrestling magazine, and 3rd nationally all class by Amateur Wrestling News.
- **Paul Grinups**, 145/Westfield, won the first State Championship for his school, in the school's 6th year of existence.

2007 Virginia AAA State Wrestling Championships

- **Josh Wine**, 285/Massaponax, ended his high school career with a State Championship, and an undefeated season record of 46-0. He is ranked 18th nationally for seniors by USA Wrestling magazine and will play football and wrestle at the Virginia Military Institute next fall.
- Robinson did it again. For the second straight year they had a freshman champion at 103, **Roman Perryman**. The feat has only been done once before (since the 103 weight class began in 1988/89), by Great Bridge, with Michael Martin in 1999 and Daniel Frishkorn in 2000.
- Career records. Four seniors completed their careers with remarkable win records:

Eric Olanowski, Kellam, 188 wins
Kevin Chapman, Fauquier, 188 wins
Matt Jones, Robinson, 186 wins
Collin Dozier, Cox, 181 wins

Since 50-plus match seasons have only been possible in the last 7/8 years, these four undoubtedly rank in the top ten of Virginia AAA wrestlers, with Olanowski and Chapman probably second only to what is believed to be the AAA record of Patrick Bond of Great Bridge, who completed his career with 193 wins in 2005.

NEXT SEASON

Ten schools return two or more state placers from this tournament next year: Colonial Forge 5; Fauquier, Great Bridge, Hayfield, James River, Western Branch and Westfield 3 each; and two each from Brooke Point, Kempsville and Langley. (Three placers class could not be determined)
