keteers 40 to 27 in Fast Game.

The re-vamped All-Ogdensburg five took the strong Madison Barrack's team across 40-27 at the state armory last night. Plainly showing the effects of the coaching received during the week from "Pete" Smith, former center star of the old 40th, the home boys sailed in at a fast clip and had the Army boys with their tongues hanging out most of the time. Thirteen men were used by the Madison coach in an effort to stop the Ogdensburg speedsters but it was by a fall in 7 minutes and 50 sec- managed to squeeze into the re- a vain effort. The pass work of the Smithers has improved immensely and the old eye also appeared to be sharper last night for many set shots swished in without touching a thing but the laces.

Gamache was high scorer with 5 doubles and a gift shot. Brown. right forward, one of the three Browns who worked for the soldiers, led the Army attack with 10 points. : Summary:
