# Section VI Mat Meet Tonight

The Section VI High School Wrestling Tourney gets under way tonight with the first round eliminations being scheduled to start at 7 on the Cleveland Hill mat. Weighins for the matches will be held this afternoon.

The Erie County Interscholastic Conference will be represented by ten teams. The Southern Tier counties of Chautauqua and Cattaraugus will send six teams. Individuals from other area public high schools will also be entered.

All competing wrestlers will be placed in weight bracket pools, with each pool running to a championship final. Williamsville, unbeaten ECIC powerhouse, looms as the top bet to win the unofficial team title.
