# WRESTLING

In his first year as a Hamburg Coach, Mr. Parker led our wrestling team through an outstanding season. The team was undefeated in its regular meets and avenged last year's twin losses to West Seneca by defeating them twice in as many weeks. Hamburg captured the E.C.I.C. and Section VI, Class AA trophies, as well as the

overall Section VI championship. Captain Gene Kempf, remaining undefeated for the second straight year, gained the 136 pound sectional championship. Hamburg has three other sectional champs in Phil Stutzman, George Callahan, and Dale Minard. This provides an excellent mark for next year's team to aim for.
