## Wrestlers Win Third Successive Title

For the third consecutive year Coach Endres' wrestling team has come home with honor.

After sharing the title with Orchard Park in Division I play, the team compiled a remarkable western New York Sectional tournament record of 77 points, more than any other school, and 22 points shy of the all-time record. In the annual tournament they copped the AA trophy, thanks to eight wrestlers.

The first place winners were Gary Butt, for the fourth straight year, Don Schoch, his second year in succession, and Dick Dorr. Others that contributed to the triumph were Bert Ernst, Ron Wilcocks, Jack Hart, Doug Miller and Carl Ernst. Two seniors, Gary Butt and Don Schoch, have four-year competitive records among the best ever attained.

Since only four wrestlers will be lost through graduation, next year's squad should be strong.
