

Meet Carded For ECIC's Best Matmen

The Erie County Interscholastic Conference's first annual invitational wrestling meet, involving 48 wrestlers, will be held Saturday afternoon and night at Maryvale High School.

Coaches from each of the ECIC's 15 teams will meet Thursday night to select the two best wrestlers in each weight class from each division.

The idea is to bring together the top wrestlers from Division I and II, as they are unlikely to meet otherwise.

Each contestant will receive a ribbon for first, second, third or fourth place. The coaches will contribute toward a trophy to be presented to the meet's outstanding wrestler. No team scores will be kept.

The 1 p.m. semifinals—24 matches—will cost adults 50 cents and students 25 cents. The 7 p.m. consolation matches and finals—also 24 matches—will be 75 cents for adults and 50 cents for students.
