Senior Pancake Supper

A little girl had a dream the other night. She dreamed that she was at a Pancake Supper which was being held in the new cafeteria. She dreamed that she was eating sausage and nice big pancakes with syrup on and—oh! she' was getting so full. There was a man beside her and she heard him say to the man across the table—"You know Mike, these pancakes taste just like the ones my mother used to bake for me when I was a kid. I haven't tasted any like 'em since. They were sure good in them days."

This little girl kept eating and, guess what! She won the prize for eating the most pancakes that was the end of the dream.

The next day she told her big sister, who was in the Senior class, all about her dream and lo and behold it is coming true. Yes, the Seniors are having a pancake supper, March 10th in the new cafeteria from 5 to 6:30.
