Mat Finals

At Maryvale

The site of Saturday's Section VI Wrestling Finals has been switched from the State University College at Buffalo to Maryvale Junior High School, section chairman Matty Szydowski said Thursday night.

This is the event in which the winners of last weekend's four sectional tournaments vie to represent the Western New York area in the Intersectional Tournament at Ithaca College Saturday, March 6.

The reason for the late switch in sites was financial, Szydowski said. The Maryvale gym will seat about 1000. The first round starts at 1:30 p.m., the consolations and finals at 7.
