## NCC Will Play ECTI Saturday

The Erie Tech Kats journey to North Tonawanda High School Saturday for an 8 p.m. basketball contest against Niagara County Community College, and close out the only losing season in 15 years of Killian coaching. The Kats are 3-and-24 after a rout Tuesday night at home by Monroe Community College in which the Kats never led nor tied; and have forgotten about the Empire State Conference in which they are 2-and-9.

Niagara Community's Coach Roy Sommer isn't entirely happy about 1968-69, but he has moved six men to a 16-and-10 season so far. Jon Roth, his big gun, will be playing Saturday and will be a member of the Washington Senators' baseball farm if they agree on terms. The Frontiersmen lost to the St. Bona Frosh Tuesday night.
