

CCS Wrestler County Champ

The Allegany County wrestling meet at Alfred Ag-Tech last Saturday, saw Cuba Central School's grapplers come away with the distinction of having a county champion and four second-place winners.

Bob Amundson won the County Championship in the heavyweight class with a pin over Cross of Belmont in a time of 5:54. Bob will go on to the Bi-County tournament with Steuben county's champ on March 3 at Alfred Almond school.

Boys who finished in second place at the county meet are Robert Vance, 108 lb; Dave Williams, 135 lb; Tom Manko 141 lb; and Gilbert Green 148 lb.

The Cuba team lost the last meet of the season to Belmont by a score of 29-23. This loss makes the season's score stand at five wins and five losses.

Coach Mosher said the team was "very young and inexperienced" when the season started, but the boys worked well and improved a great deal as the season progressed. Only two starters will be lost by graduation so that next year's team should show much improvement.
