the outstanding wrestler trophy of the tournament, had lost. Dewight showed what he was made of when he returned to the consolation match and scored a 2-1 victory over Curtis Smith from Sec-

tion XI, giving him third prize in the 177 lb. class for the State of New York. The loss was a bitter pill to swal-

low for Dewight and he will long remember this defeat, but it in no way dampened the desire of many of the big name coaches of wrestling to have him attend their col-lege or university. Nor can it cloud the fact that he has tied or even broken the consecutive pin record for a high school wrestler in the United States.

Dewight will soon be mentioned in such promninent magazines as Sports Illustrated and Scholastic Wrestling News. This young man has made

mark in the world of high school wrestling already and still has another year to go.
