

Hobart Defeats "Y" In Wrestling Bouts

**COLLEGE BOYS DRAW THREE AND WIN ONE
MATCH—IMPERIALS DEFEAT TRIANGLES
—BUSINESS MEN FAIL TO SHOW UP**

Hobart came back at the Y. M. C. A. last night and trimmed the "Y" wrestlers in the second of a series between the two teams. The "Y" got a draw in the first match and they thought that they would run away with the college boys, but they were sadly mistaken for Hobart drew three bouts and won the fourth, so that they got a clean-cut victory.

Kober of Hobart, gained the only decision of the night when he threw Gleason of the Y. M. C. A. in two minutes. Smith and Becker gave one of the prettiest exhibitions of the evening. Becker was the aggressor all the way through but Smith although much lighter, managed to squirm out of hold after hold that his heavier opponent secured on him.

Ansley Wins Championship.

Ansley and Thomas battled for the heavy weight championship of the Y. M. C. A. and the gold medal that the "Y" put up for the contest. Ansley secured the fall after five minutes and twenty seconds.

The Triangles and the Imperials put on a basketball game that was more of a fight than a contest, the Imperials finally emerging victors 25 to 18. Both teams went at it hammer and tongs and there wasn't a minute in the game when there wasn't something doing.

The business men were scheduled to show their prowess in hockey, but according to H. E. Hovey, they were too scared to show up and consequently he wouldn't have a chance to show off before the audience.

COLORADO LOOKS GOOD TO MILLER FOR FULTON FIGHT

Declares There is No Chance for Interference There, Which Make It Look Good to Him.

New York, April 2—Colonel J. C.

Miller, the man behind the next heavy weight title battle, gave the first intimation last night of the probable fighting ground. The former circus and ranch man seems to lean toward Colorado as a suitable place for Willard and Fulton to meet, and for the first time today frankly admitted that he was giving this western state serious consideration.

"Of course you understand," he said "that Jess left the whole matter in my hands, and I can put the show on anywhere I care to. There is no chance of interference out in Colorado, and that seems to me to be a pretty good place for a heavyweight battle. However, I intend to look around a little longer."

GIBSON TWO-MAN TOURNEY CLOSSES

The Gibson two-man tournament came to close Saturday night with the Hickey-McMann team coming out on top with a score of 1,211. The Banwell-Bocker team was second with 1,206, and Graigon-Kimble, third, with 1,202. The first team drew down \$15, second \$11, and third \$5.

MACK WILL HAVE A GREAT INFIEL

Philadelphia, April 2—Connie Mack's new infield will be made up as follows: George Burns, who was with the Detroit Tigers last season at first base; Morris Shannon, formerly of the Braves, who is developing a brilliant style at second; Joe Dugan, a college player, who appears to be one of the "finds" of the season at shortstop, and Larry Gardner, of Red Sox reputation on third.

Mack is said to have realized more than \$100,000 out of his once invincible infield—McInnis, Collins, Barry and Baker.
