## Elmira Tournament new format

## Format

We are continuing with the pool format for this year's tournament. There with be a two pools with a cross over finals for the 10 man pool. The 8 man pool will have a crossover to a semifinal followed by the winners wrestling in the final and the losers wrestling for $3^{\text {rd }}$ and fourth. If there are 6 or fewer in the weight class, it will be a true round robin. Every effort will be made to maximize the number of matches for each wrestler. We are also able to use a 12 and 16 man bracket.

## Seeding

We will seed the wrestlers in each weight to develop the pools for the tournament. The past seeding criteria will be used. It is our goal to try to get the top two kids in the weights to wrestle in the finals.

## Tie breakers

The first tie breaker will be head to head wins. The second will go to most falls. If the amount of falls are the same it will go to aggregated time of the falls. If no falls occur it will go to greatest cumulative winning margin.

## Team scores

Team scores will be calculated using the placement criteria from the rule book. Only placement points will be awarded.

## Extra wrestlers

We will allow a max of 20 wrestlers for each team. Weight classes can have a maximum of 10 wrestlers. If extra wresters exceed the 10 wrestler limit, the open slot will go to the most seedable wrestler out of the extras.

In an effort to keep the tournament on schedule, the following guidelines will be used for the seeding meeting Friday, December 11, 2015 at 7:00 PM. Please note: Please make sure that your rosters are accurate and legible. The Elmira Coaching staff will be seperating wrestlers into pools on Friday night at 6:30 PM, AT EHS. You are welcome to attend if you would like. PLEASE SEND Rosters to Dave Guyette dguyette@elmiracityschools.com BY THURSDAY, December 11, 2015 at 12pm.
