WRESTLING

For the fifth time in six years, the wrestling team at A. C. S. became Wyoming County Champions. Under the direction of Coach Southard and Coach Fehrenholz, the boys gain experience in the ancient sport of wrestling. This year the team participated in two holiday tournaments, one at Caledonia and one at Medina. In the Caledonia tournament, they came in second out of eight schools. Winning first place out of four schools participating, at the Medina tournament, the boys took ten out of fourteen trophies. Once again, the team has proved that hard work and perseverance pays off.

John Peterson and Dick Romesser warm up before a match.
