## BASKETBALL

With just about 3 minutes left in the third period Coach Wight's Greyhounds led by a slim 2 point margin which made it look as though the Bulldogs of Bolivar might down the mighty Greyhounds. Then Bolivar just could not run against our press as we broke the gap to 51-37 at the end of the third period. At the end of the game it was Cuba 65, Bolivar 42.

Now that the regular season games are over, Cuba is getting ready to defend their Section V Class C sectional title which they received last year. The question is - can they do it?

In the Bolivar game it appeared that they could. Andy Moore and Bill Bowers worked their famous "Bill and Andy" show to highlight the floor and to top all scorers. Moore gunned for 23 points and Bowers added 13 to lead all Cuba scorers. Bill Bradley, probably the biggest vital cog in the lineup, gunned for 10. Cuba controlled the boards 37-29 behind Bill Bowers as he hauled down 13.

In J.V. action Coach Enderle and team completed the season on a winning note when the Greyhounds beat Bolivar for the first-time in the four years that Enderle has been coach. The score was 58-56. Coach Enderle noted the game was the "best defensive game of the year, they really hustled, just played outstanding". Matt Young topped all scorers with 18, A. J. Higby contributed 14 while Jim Law chipped in with 11. The young Greyhounds finished the season with 7 wins and 8 losses.

## GIRLS BASKETBALL

Cuba showed why they are still undefeated when they raised their record to 13-0 by winning four games last week. Their triumphs were over Bolivar 35-28; Friendship 34-20; Houghton 39-29; and Andover 39-27.

In the Bolivar game Denise Sawaya and Carol Napier led all scorers when they both sank 10 points apiece. Denise also collared down 9 rebounds to top Cuba. Cuba had stiffer competition in the Friendship meet up as they only won by 14 points compared to 21 points the last time they played against them. Once again Denise Sawaya led the team when she netted 12 points and ripped down 17 rebounds. Against Houghton, it was the lady cagers defense that won it for them. Denise Sawaya carried the load on her shoulders when she meshed 11 points and ripped down 14 rebounds. Eighth grader Lanning Keesler chipped in with 10 points. Against Andover, there was a different name in the scoring ranks when Katie Mountain poured in 17 points. Denise Sawaya trailed her with 12 points. Denise also kept her rebounding name up when she hauled down 16.

The lady cagers next game is Thursday at Angelica and Monday at Belfast. Both games are set for a 7:00 tip-off.

## WRESTLING

Cutting weight for the season is no longer needed as the season ended this week for all but three of Coach Stephens grapplers who placed third in the sectional tour-

ament held at York last weekend. Brad Green, Rob Weller and Carl Makarowski all placed third which qualifies them for the inter-sectionals at Fairport next weekend.

Tom Cappellini showed hope for a promising future when the freshman placed fourth overall along with senior Karl Kottwitz (177 pounder). Loyd Swain, Bob Ballerstein and Matt Buike all placed fifth in the 18 school tourney to help give the Greyhounds a seventh place finish.

Cuba will lose Brad Green, Rob Weller, Karl Kottwitz, Matt Buike, Andy Moot and Loyd Swain through graduation. Hopefully, Brad, Rob and Carl Madarowski can end their season on a good note this weekend.
