The West High wrestling team closed the ledger for the 1948 season with a six and two mark recorded, establishing them in second place in the final postings.

The Don Thomas' coached squad made its presence felt among its rivals and fell victim only to first place Edison and an underdog Jefferson aggregation.

Two of our grapplers, Nash and Nolan, compiled undefeated season records in their respective weight classes. Kurtz was another outstanding member of the Forty-eight team, being bested only once, while wrestling against Jefferson.
