

Takedown Cancer

On January 23, 2016, Webster Thomas, Rush Henrietta, Penfield and Fairport will all be wrestling for a cause bigger than wrestling. Our goal is to not only compete and have a great day of wrestling, but it is to also raise money for Camp Good Days and Special Times. We will donate ALL Proceeds to camp good days. This year all teams have lofty goals of raising at least \$7000 with a combined effort of all wrestling programs. We have decided to have a go fund me page so people can donate to camp good days.

Our goal is to TAKE DOWN CANCER, here is the link if you would like to donate—any little bit helps!
