# Trevor Regan Memorial Award

An award in memory of Trevor Regan, a wrestler from Avon and an LCAA Hall of Fame Member, is being offered by Trevor's family. A plaque will be given to the Varsity wrestler who fulfills the requirements as written on the plaque. The inscription reads:

***Presented to an LCAA wrestler who has persevered  
to be a successful athlete, student, and citizen.***

Trevor was an avid wrestler. He started competition in 2nd grade; he hugged his opponent at the conclusion of his first match. He continued through grade school, junior high and high school for Coach Dick Fisher at Avon. He was co-coach for junior high wrestlers while a senior at Avon.

As a young adult, Trevor moved to the West Coast and competed in Arizona. To continue his wrestling, he moved to South America and competed in Brazil, Chile and Peru.

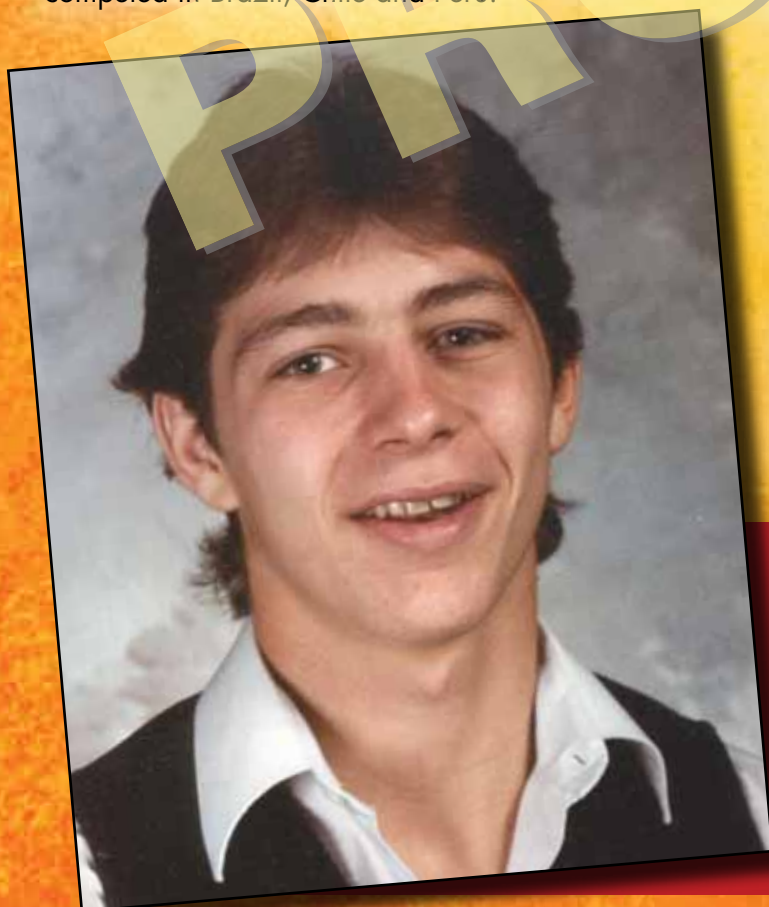

Trevor loved Brazil and founded the Academy of Arch Angels, where wrestling and mixed martial arts were taught to underprivileged children.

Trevor's occupation was a Seismantologist and a Health & Safety Officer on research ships. He worked for many oil companies and numerous countries on 5 continents.

Trevor built a home overlooking the ocean in Brazil. He loved the beaches, the people, and their cultures.

But someone took his life on April 11, 2013. Trevor left two adult children. It is his family's wish to establish an award in Trevor's memory in the sport he loved. This award is based on good merits to acknowledge excellence in character and community service.

A special thanks to Dick Fisher, Marv Shimmel and Ernie Lawrence for their contribution of ideas, time and dedication to a special cause; and Marilyn Regan and her family for their desire to recognize the best in all the dedicated kids who commit themselves to the sport of wrestling.
