not an ache in an acre.

If all the Polvonite® wrestling mats used by over 5000 schools and colleges were placed side by side, they would cover some 5,000,000 sq. ft. More than 114 acres of wrestling mat surface! The world's finest.

And not an ache in an acre. Here's why:

- Polvonite mats absorb up to 40% more shock than any other foam mats.

- there's no injury-causing bottoming or rebound.

- the exclusive PEC-10® coating provides firm, fast footing.

- the coating is non-abrasive to prevent mat burns.

Besides that, Polvonite mats are non-absorbent, easy to clean, lightweight (under 8 lb. per sq. ft.), non-ripping, and long wearing.

This is the original plastic-coated, all-foam mat for wrestling

and for gym use—developed by Protection Equipment in 1954—made in a factory built specifically for production of foam wrestling and gym mats.

SALUTE TO THE WRESTLERS

Most people recognize wrestling as one of the best competitive sports. In wrestling there is the opportunity to develop such traits as self-reliance. The desire to excel and the spirit of conquest.

Your very presence here is indicative of determination, self-confidence and a desire to win. It also symbolizes a high level of athletic honor.

I wish each of you success. I'm certain that this experience will be rewarding.

Give wrestling (and your wrestlers) the advantages of the "P-factor"

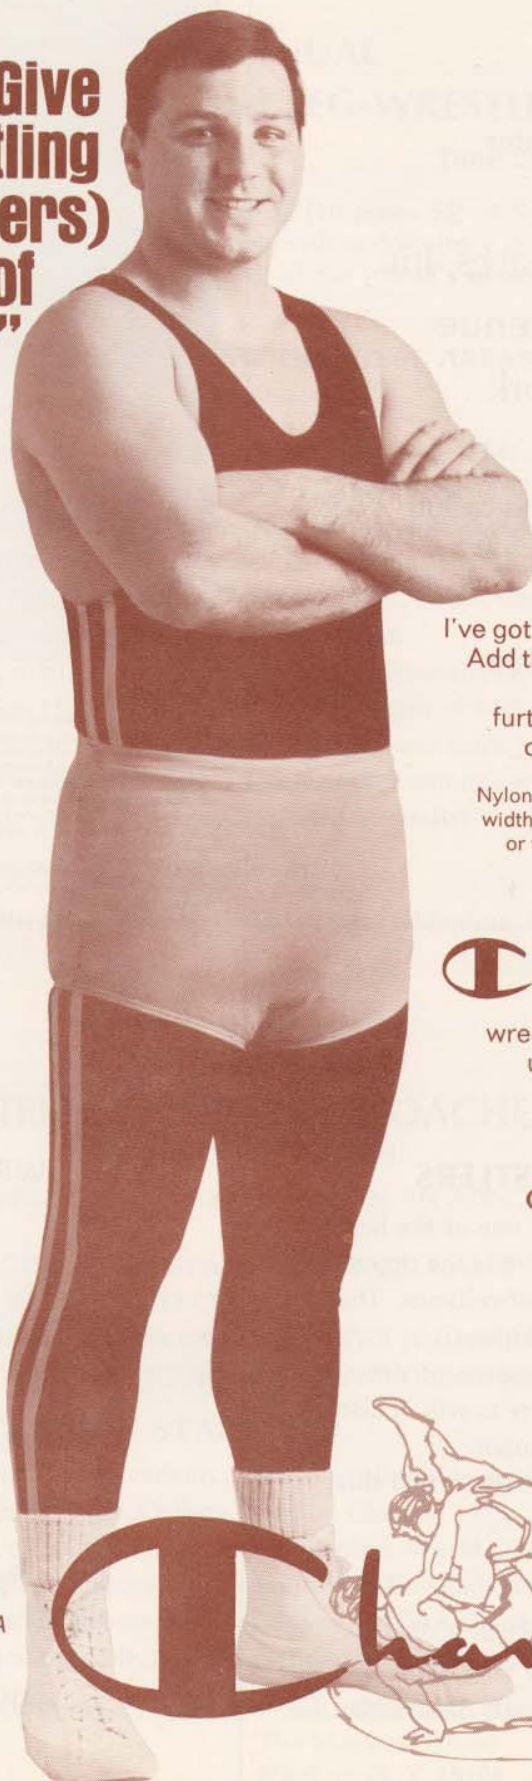

The P-factor is **performance**, first and foremost. It's uniforms that are designed specifically for wrestling, to fit properly, never bind or interfere with the athlete's movements. It's uniforms that take all the abuse of the mat and washing machine and come up looking new.

Champion collegiate style s-t-r-e-t-c-h wrestling shirt with deep armholes, neck and back. Leotard attachment is standard. Lightweight fabric—a long-wearing combination of combed cotton, nylon and spandex—available in Black, Dark Green, Gold, Maroon, Navy, Royal, Scarlet, Silver Gray, White. Sizes: XS, S, M, L, XL.

Champion s-t-r-e-t-c-h wrestling crotch trunk with drawstring waist. Mat-proof fabric is a heavyweight combination of combed cotton, nylon and spandex. Colors to mix or match shirts: Black, Dark Green, Gold, Maroon, Navy, Royal, Scarlet, Silver Gray, White. Sizes: XS, S, M, L, XL. Also available as a saddle front trunk with longer inseam and straight leg.

Champion full-length s-t-r-e-t-c-h wrestling tights. Tapered legs have reinforced knee pads and self-material stirrup bottom. Heavyweight material of combed cotton, nylon and spandex will take plenty of abuse. Drawstring waist in sizes XS, S, M, L, XL. Colors: Black, Dark Green, Gold, Maroon, Navy, Royal, Scarlet, Silver Gray, White.

IT TAKES A LITTLE
MORE TO MAKE A

The P-factor is also **prestige**. Uniforms that say, "Look at me! I've got school spirit! I'm a major sport!" Add the Prestige-factor with wrestling uniforms in your school colors, further enhanced with colorful braid on the shirt, the trunks, the tights.

Nylon stretch-braid is available in: • 1" or 1½" widths • one or two colors • sewn horizontally or vertically on the chest of the shirt and/or the sides. • sewn on the sides of the trunks and tights.

Champion has everything to dress your wrestlers—practice tights, standard uniforms, warm-ups, sweat suits, even socks.

Write for your copy of the new 48-page, full-color catalog of Champion athletic wear. It's free.

You learn a lot in 50 years about wrestling uniforms.
