The wrestlers were introduced by Victor Lions Club President Jimmy Jones who along with Victor Principal Carl Palumbo had charge of the event.

The Batavia School brought its own cheering section as well as several pretty cheerleaders who gave encouragement to their team.

### Special Rules

The first period would start with the wrestlers touching hands and any time that contact was lost the Victor wrestler would touch again so that his opponent knew where he was. Most of the time they were locked in combat.

Batavia started the evening fight when 166 pound Rich Cook decisively Kurt Dillman 12-2 with a fine display of wrestling.

Batavia picked up two more points when Larry Reed and Victor's Ron Bowerman fought to a 5-5 draw.
