NYSPPHSAA State Championship Wrestling Tournament

Friday & Saturday, February 27-28, 2015

Times Union Center (Albany, NY)

2015-02-28 23:52:35 And that wraps up the blog for this year's state tournament. Enjoy doing it, love hearing the feedback, especially from everyone following it even though they were IN the arena. Really cool.

Everyone driving home, drive safe. Wrestlers, get some rest. Next season starts tomorrow... this third place business feels weird. Congrats to the competitors and place finishers this year.

And thanks to Tim Herman, as always, for making it happen. It was a blast.

Oh, and Bill Stiner says "goodnight" lol. —ANDREW

2015-02-28 23:48:18 It wasn't announced... or just no one heard it... But Yianni Diakomihalis = D1 MoW.

D2 finishes
3rd was V
2nd was IV
1st was III —ANDREW

2015-02-28 23:45:38 D1 sectional finishes.
3rd - V 172.5
2nd - VIII
1st - XI - 300+

D2:
3rd - V
2nd - "213" was what was announced... no section number lol. ooookay.
1st - Missed it in my confusion over the "2nd" thing... Guessing Section 3.

Still no D1 MoW. This announcer needs to get his ish together. I know it's been a long day but c'mon now lol. —ANDREW

2015-02-28 23:42:08 MoW for D2 -- Jordan Bushey. Had a sneaking suspicion among our media group he had a shot. I still have no idea how 120 didn't produce a MoW.

MoW for D1... mysteriously unannounced so far... 5 minutes after D2 MoW was announced lol —ANDREW

2015-02-28 23:38:04 Alexander takes 9th in D2, 3rd was Warsaw, 65.5... Locust Valley runnersup with 99.5, 104pts and team champs -- Mexico. Color me surprised, lol. —ANDREW

2015-02-28 23:35:07 D1 Tournament Team Champs -- HILTON.

D2... Locust Valley. They haven't announce it yet, but it basically can't be anyone else lol —ANDREW

**2015-02-28 22:59:09 I'll try to catch team scores and MoW Awards...
Guesses: D1. 1) XI 2) VIII 3) V -- D2. 1) III 2) IV 3) V 4) VI**

D1 MoW... Possibly Frankie Gissendanner, but that's my section V homerism, possibly. Arajau has a shot.

**D2 MoW... Probably Overhiser. At least he'd have my vote. He won a crazy-stacked bracket and beat two former state champs and runner ups in DiVincenzo and Spann.
—ANDREW**

2015-02-28 22:54:55 2OT for Terrance and Rubio. E1 for Terrance. Rubio on bottom now with his turn with 10 seconds. Terrance runs him out of bounds. 4 seconds left. And that's the final. Nolan Terrance from Messina (X) wins 2-1 in 2OT at 285. That wraps up finals. —ANDREW

2015-02-28 22:50:35 Austin Dean wins 5-3 in OT. Opponent slips off and hits the mat. Dean covers and gets the takedown. —ANDREW

2015-02-28 22:27:44 Sampo wins by fall. Mann had him beat earlier in the tournament. So many section V kids so close, but so far... —ANDREW

2015-02-28 22:19:06 D2 champ - Nathaniel Rose 12-5 final, PSAL —ANDREW

- 2015-02-28 22:09:54** Jacob Wilson turned and sprinted away with the last 5 seconds of the third period... Wins 2-1. He'd just been hit with a stall warning. No stall point despite the track event that just happened... That should have been a point. All the charity points that are given, that one should have been given up. Sigh. —ANDREW
- 2015-02-28 22:07:34** David Hamil wins D1, score 9-4 —ANDREW
- 2015-02-28 21:57:44** Bushey wins 12-4. I may be on TV right now. One of the Time Warner camera guys were shooting the crowd directly behind me chanting "Jordan, Jordan, Jordan!" lol. My 15 minutes of fame aren't even my own hahaha —ANDREW
- 2015-02-28 21:52:51** Bushey two quick takedowns. Two cuts. 4-2 lead at the end of the first. Bushey poked in the eye in the 2nd and loses a contact... he picks it back up and sticks it back in his eye... The group of people behind us had some great comments, one of which went like "Aww man, he's got ringworm in his eyeeee" hahahaha —ANDREW
- 2015-02-28 21:49:24** Herringshaw up 14-5 takes a waterbreak... Opts neutral, makes the score 14-6 in his favor. Wraps up his 2nd state championship. —ANDREW
- 2015-02-28 21:43:16** Deprez stops a shot with underhooks. Benderoth tries driving in, Deprez hooks with the momentum and rolls Benderoth to this back. T2. Benderoth rolls through, but has no more time. 7-3 final for Deprez and he joins his brother Vincent and a NYS Champ —ANDREW
- 2015-02-28 21:41:58** Shot by Benderoth, Deprez falls to his butt. Gets a stalemate.
- Deprez goes bottom in the third, E1, and back to neutral with a 5-3 lead. 40 seconds and Deprez is hit with a stall warning —ANDREW
- 2015-02-28 21:39:40** Herringshaw is dominating his opponent... 10-2 with 1:32 in the second on the D2 side —ANDREW
- 2015-02-28 21:39:03** Deprez gives up the escape as Benderoth starts coming out from behind. 4-3 now, 1:07 left in the 2nd —ANDREW
- 2015-02-28 21:38:00** Lou Deprez vs Blaise Benderoth. Deprez in deep on a shot, Benderoth scrambling and crotch locks... more scramble and somehow Benderoth comes out on top with the takedown. 2-0. Benderoth tries to hit a merkle but Lou's hips come out on top, he leverages back and catches the reversal and 2 quick

nearfall points before the period ends. 4-2 after 1. Benderoth starts on bottom in the second. — ANDREW

2015-02-28 21:33:51 Garcia finishes off the 5-1 win over Shomers. —ANDREW

2015-02-28 21:33:25 Bell awarded 1 for a stall point, 6-4 but gets promptly taken down and trails 8-4. That's the final. — ANDREW

2015-02-28 21:32:25 Bell is down 6-3 in the third with a minute left. Restrepo warned for stalling. —ANDREW

2015-02-28 21:31:27 Garcia leads Shomers 5-0, before Shomers gets an escape in the third and nearly hits a headlock. They're neutral, 5-1 with a minute to go. —ANDREW

2015-02-28 21:27:40 Shomers vs Garcia in D2 finals... Byler lost to Shomers on a locked hands call. And beat Gardner for 3rd and 4th. This very well could be Byler in the finals right now.

Anthony Bell gets a match with Jake Restrepo... Bell gets taken down quickly, but works out for a reversal on the boundary. Restart. Restrepo E1 quick, leads 3-2. Bell in trouble, but somehow comes up with a single from a bad (well, less-than-good) position and then somehow loses that single (it was in the air, he was in control) and gets taken down again... 5-2 now in favor of Restrepo... who is now bleeding. —ANDREW

2015-02-28 21:23:00 Dutton wins 10-2 —ANDREW

2015-02-28 21:20:50 Rifanburg teched the other 3 opponents besides Farrell (6-1), and that was the only match Rifanburg looked like he even had to work for. —ANDREW

2015-02-28 21:20:01 T2, N3 for Rifanburg... who is clearly proving the next best wrestler in the Bracket was indeed Corey Farrell, who was unseeded and then got the 8th seed upon the scratch. —ANDREW

2015-02-28 21:18:42 Another 3 nearfall for each Rifanburg and for Dutton. 8-0 for both at the end of the 2nd —ANDREW

2015-02-28 21:15:45 Tommy Dutton vs Mark Raccioppi (who was a 6th seed entering the tournament) on the D1 side

Tristan Rifanburg (Norwich) vs Garrett Mitchell... Rifanburg up 5-0 early. Takedown and a tilt for 3 near fall.

Dutton leads 5-0 himself as the first period comes to a close. —ANDREW

2015-02-28 21:12:43 Low single, steps up. D'Angelo goes for Frankie's ankle, Frankie drops on him, covers and locks up the takedown and his State championship. —ANDREW

2015-02-28 21:11:52 Ward and Richard in a crazy third period! 7-6 following some scrambles, takedowns and nearfalls. Ward cuts him and is down 8-6. Out of bounds, 4 seconds left. Caution on ward. Ref bangs richard for a point. He still leads 8-7. 1 second left on a restart. no score. That's the final.

Frankie in SV OT, locks up a beautiful takedown! —ANDREW

2015-02-28 21:09:36 E1 for D'Angelo, back to neutral, tied 1-1. —ANDREW

2015-02-28 21:08:48 Period ends 1-0, Gissendanner. —ANDREW

2015-02-28 21:08:32 T2 Frankie... he locks up a cradle but it's too soon he loses it and there's a scramble. Loses position and they go out... looks like E1 loss of control to me... Coach calls the ref over... Refs confer (assistant ref is the ref who reffed Schafer's match and gave the Finals away with a stall call in criteria) and they WIPE THE TAKEDOWN OFF THE BOARD. My goodness. How that happens I don't even know. —ANDREW

2015-02-28 21:05:43 E1 Frankie in the first 5 seconds. Back to neutral. —ANDREW

2015-02-28 21:05:27 Gissendanner working underhooks and ties, but unable to get another shot in like the one he lost. Period ends 0-0. Gissendanner chooses bottom. —ANDREW

2015-02-28 21:04:13 Gissendanner with a low single, picks it up, turns into a scramble, loses it, bad position, scramble city, no points scored and out of bounds. :53 on the clock —ANDREW

2015-02-28 21:02:51 Frankie is so quick. Wow. —ANDREW

2015-02-28 21:02:18 Frankie Gissendanner vs Mike D'Angelo (Commack-XI)

Sam Ward (Locust Valley-VIII) vs Hunter Richard (Holland Patent-III) —ANDREW

2015-02-28 21:00:44 I'm missing points here in the Dellavecchia match... It ends 11-6. Arujau took him down a few times there at the end...

Casella rides out McGregor for the 2-1 win. —ANDREW

2015-02-28 20:58:59 Dellavecchia takes Arujau down, trails 6-5 with 50 seconds left —ANDREW

2015-02-28 20:58:34 Dellavecchia takes bottom. Arujau gives up the easy 1 and takes him down and made it look easy. Leads 6-2 in the third.

Casella called for stalling and he's hit for a point. Casella leads 2-1 now with :48 left in the match —ANDREW

2015-02-28 20:57:05 Casella and McGregor both shot, locked up, and Casella muscled him over for 2. Period ends 2-0 Casella and he is on top to start the second. McGregor hasn't mustered much movement in the first minute on bottom.

Arujau and Dellavecchia are neutral in the second and no points are scored.

Casella chooses top in the third, up 2-0. —ANDREW

2015-02-28 20:53:57 Vito Arujau takes Dellavechia down, cuts him loose, and takes him down again. Slick. —ANDREW

2015-02-28 20:52:53 Jesse Dellavechia vs Vito Arujau on the D1 side, Cody McGregor and Nick Casella on the D2 side —ANDREW

2015-02-28 20:51:03 Lamantia E1 in the third and gets a deep shot towards the end, Piccinnini in some trouble but he was on the boundary and time ran out. Not too much risk for him as he wraps up the 3-1 win and his 4th title. —ANDREW

2015-02-28 20:45:35 That D2 126 bout makes you wonder why alllll the studs at 120 converged there and none of them bumped to 126... —ANDREW

2015-02-28 20:44:42 Piccinnini gets an escape in the second, but the match is stopped due to him bleeding. Short stoppage and they're ready to go again, with Piccinnini leading LAmantia 3-0.

Develin wraps up the tech on the D2 side... —ANDREW

2015-02-28 20:43:24 Kellen Develin is up 12-0. I think it's safe to say 126 was seeded poorly, seeing as Gaiser gave him a tough match, despite an 8-1 score at the final whistle. Score's 13-2 right now with time winding down in the second as Develin secures another takedown to go up 15-2. —ANDREW

2015-02-28 20:40:10 Nick Piccinnini vs Benjamin Lavantia on the D1 side... Piccinnini is searching for his 4th state championship to cap off his senior year. He might not have to look far. Big air on a double, Piccinnini steps through with a turk on the way down. Impressive from the start. —ANDREW

2015-02-28 20:37:28 Jimmy Overhiser finishes of the win 6-2 over Spann. Overhiser knocked off the 1 and 3 seeds (both past champions) on his way to the championship. —ANDREW

2015-02-28 20:35:37 Yianni on bottom in the third, gets the reversal 20 seconds in. Wrong leg in, crossbody ride. He lets the leg out, slips in a bar. Yianni runs it over... Pappas was stuck. No fall yet. He lets it go to a half, reverses it. Fall with about 8 seconds remaining. —ANDREW

2015-02-28 20:33:08 8-1 lead for Yianni as time runs out in the 2nd. —ANDREW

2015-02-28 20:31:26 Overhiser working span over 4-2 with two takedowns and 2 cuts in the first. —ANDREW

2015-02-28 20:30:56 Yianni gets 2 nearfall off a tilt with legs in as the period runs out. Leads 4-0. Neutral in the second. Yianni snap down, head in the hole, and 2. Smacks a naaasty crossface on for good measure. —ANDREW

2015-02-28 20:28:57 Yianni steps through on a turk and locks up 2. 1:00 left. —ANDREW

2015-02-28 20:28:12 Derek Spann now wrestling against Jimmy Overhiser —ANDREW

2015-02-28 20:27:48 Yianni** —ANDREW

2015-02-28 20:27:32 Yiannia Diakomihalis up now vs Peter Pappas (VIII) - I believe this is one of the kids Gregor Gillespie coaches on long island, along with Piccinnini —ANDREW

2015-02-28 20:26:22 E1 Arceri in his 2OT TB and then rides out Albis... Albis probably just got robbed. —ANDREW

2015-02-28 20:24:29 SV OT - Albis gets behind with time running out, but Arceri steps up almost simultaneously... ref signals no 2 —ANDREW

- 2015-02-28 20:23:17** D1, Arceri is trailing 2-0 to Albis in the third. Arceri gets one, 30 seconds left in the third on the restart. Albis shoots in, stalemate with :20 left. Stalling point awarded to Arceri as he drives Albis out of bounds... despite the fact that Albis just shot and was stalemated 3 seconds before that... That's a charity stall call that I don't understand —ANDREW
- 2015-02-28 20:18:57** Heberlein riding a claw and tight waist... having trouble controlling Powers' hips, but not giving points yet. 1:10 remaining, Powers gets some space and turns his hips in. Heberlein is buried underneath holding a leg. Stalemate with :51 left. Stand up powers, big mat return Heberlein, Dane loses his hips, Powers turns in and catches him on his back... And stuck. —ANDREW
- 2015-02-28 20:16:09** Heberlein and Powers feeling each other out... Dane fights through a tie, gets a nice sweeping single, steps up and Powers turns his knee down... Manages to get to the boundary and fight off the takedown. Restart 1:10 remaining in the first. Bad shot by Powers. Heberlein sprawls to a front headlock... stalemate. Restart :49. Dane pushes Powers' head, Powers takes the arm in a Russian. Out of bounds. 22 seconds. Dane posts the head again, Powers Russians the arm again. Short time, Heberlein tries a lat drop and landed flat on his back. T2 Powers, no near fall. 2-0. Heberlein defers choice, Powers goes bottom. —ANDREW
- 2015-02-28 20:13:03** Heberlein takes the mat vs Theo Powers of Mexico —ANDREW
- 2015-02-28 20:12:22** Ref calls stalemate, literally, in 0.5 seconds. He missed a caution. This is rough officiating.
- WOOOOOOOOOOOOOOOOOW REF DECIDES THE MATCH BY AWARDING A STALL POINT IN CRITERIA!!!**
Silverstein cracks down and held the ankle, Teemer kicked to get away and the kid held on. Didn't try to improve. That's the state final. Albany is going to riot, man.
- Boo birds are out in full force. —ANDREW**
- 2015-02-28 20:10:23** Scoreless SV OT for Teemer/Silverstein... Silverstein on bottom, hips over and the ref calls them out, no points awarded... SAME REF AS SCHAFER'S MATCH.
- E1 now for Silverstein, leads 3-2 and they're in neutral. No takedown. Teemer was out in 2 seconds... He takes bottom in UTB Criteria. —ANDREW**
- 2015-02-28 20:07:03** Teemer and Silverstein in SV OT.

Nolan with a big mat return. Gomez switches his hips on the way down and comes out with an inside switch. Gets the 2 with a leg in. And that's the final. —ANDREW

2015-02-28 20:05:22 Scoreless SV OT - Nolan on bottom to start the first 2OT TB period. Gomez rides him out. Gomez signals top, then his coach signals bottom and he comes to his senses and goes bottom. —ANDREW

2015-02-28 20:03:39 Gomez backing up steadily in OT —ANDREW

2015-02-28 20:03:27 Teemer trails 2-1 with 1:20 in the third, Silverstein hit for stalling and it ties it up 2-2. 1:06 left. —ANDREW

2015-02-28 20:02:41 Gomez gets two tilts in in the last 30 seconds, one with time expiring. Ties it up 6-6! —ANDREW

2015-02-28 20:01:53 Gomez chooses top to start the third, trailing 6-2. Gomez gets three separate one counts, no points from his tilt. Nolan still leads 6-2 with :40 left... Still no stall warning, which is warranted (despite the fact I'm pulling for Nolan here) —ANDREW

2015-02-28 20:00:11 Nolan takes Gomez to the mat and to his back! 6-0 lead, but gives up a reversal to make it 6-2 with time running out in the 2nd.

1-0 still for Teemer, still leading Silverstein in the second —ANDREW

2015-02-28 19:58:36 Another shot attempt by Nolan and sprawl from Gomez. Gomez ties up and snaps down, but they go out of bounds. Restart.

Teemer E1 early to start the 2nd. Leads 1-0. —ANDREW

2015-02-28 19:57:49 E1 going out of bounds for Nolan. Neutral, 1-0 lead, 1:40 left in the 2nd. —ANDREW

2015-02-28 19:57:24 Not much action in the D2 match. Lots of forehead-to-forehead ties and feeling one another out in the first. Nolan has shot a few times. Nothing yet from Gomez.

Teemer locks up a standing cradle and puts silverstein to his back but the ref blows it out despite teemer's entire body being inside the circle... It's the same ref that officiated Schafer's semis match... lol. Oh boy. —ANDREW

**2015-02-28 19:55:08 D2: Jacob Nolan (Saranac-VII) vs Jon Gomez (Locust Valley - VIII)
D1: Jacory Teemer (VIII) vs Jake Silverstein (XI) —ANDREW**

2015-02-28 19:53:38 Busiello gets 2 nearfall and caps off an 11-1 win in state finals. —ANDREW

2015-02-28 19:51:11 On the other side, D1, Busiello is dominating 9-1 with 1:31 left, on top. —ANDREW

2015-02-28 19:49:23 Burkhart bails out of bounds, avoids the takedown by keeping in a whizzer. This is the luckiest kid I've ever seen in a state tournament lol. Section V media crew is rioting in Albany lol. —ANDREW

2015-02-28 19:47:50 Burkhart CLEARLY out of gas. Takes "injury" time. —ANDREW

2015-02-28 19:47:04 Neutral to start the third. 1-0 lead for Burkhart. —ANDREW

2015-02-28 19:46:24 had -- as in had go his way in some miraculous way —ANDREW

2015-02-28 19:46:06 On a serious note, Burkhart has had 3 takedowns and a reversal against Schafer and now basically 2 vs Anderson. —ANDREW

2015-02-28 19:45:05 Anderson getting robbed already. Ref waves off an apparent 2 to everyone in the arena except the official calling the match. —ANDREW

**2015-02-28 19:44:09 E1 for Burkhart. 1:00 left in the second.

3:30 in blood time left for Baker over on the D1 side. —ANDREW**

**2015-02-28 19:42:39 D1: Busiello leads 2-0. Blood time for Baker.
D2: Scoreless first, despite a near 2 on the boundary for Anderson off a throw. Burkhart takes bottom to start the 2nd. —ANDREW**

**2015-02-28 19:40:56 D1: Adam Busiello (XI) vs Benny Baker (IV)
D2: AJ Burkhart (Waverly-IV) vs Ryan Anderson (Schuylerville-II) —ANDREW**

2015-02-28 19:36:39 Finals are underway! —ANDREW

2015-02-28 19:08:39 D1 dual meet state champs - Minisink Valley

D2 dual meet state champs - Warsaw —ANDREW

2015-02-28 16:05:48 I just turned on my spotify shuffle on my phone before packing up prior to finals, Dreams by Van Halen pops up. Nice. Gotta head out. I'll be posting for finals, despite them being televised. Wooh, front row seats. haha —ANDREW

2015-02-28 15:57:49 Cameron Rohr vs Jessel just ended in a fall for Rohr with 1:13 remaining in the second. He takes third. —ANDREW

2015-02-28 15:50:27 Wilshire taken down and escapes, all in short order in the first period. He trails 2-1 as the period... page reset for some reason and I missed all these points happening, but Wilshire trails 5-2 and just ended up on his back in a scramble... And he gave up. Loses by fall in the 2nd period. —ANDREW

2015-02-28 15:47:42 Awesome 5-2 win for Byler over Dakota Gardner for third. Very very nice. I was busy filming it instead of blogging it

Farrell dominates Kevin Jackson (again) 8-1 and takes third, overcoming a tough draw-then-seeding, losing his only match to 1-seeded Rifanburg from Norwich, and topping the 2-seeded Whitney (sec3) as well. Same as with Byler's, I was filming it. Awesome job. If he hadn't gotten reseeded due to the scratch in the bracket, you have to wonder if he might be in Finals right now after his win over Whitney in consi-semis.

Paddock dominates Messinger 7-2 for third after the mishap in quarters yesterday. Good to see. Only a junior. His style looks eerily like his brother Burke at times. He should be an absolute monster next year... That's my safe bet of the year lol. —ANDREW

2015-02-28 15:21:14 Hunter Dusold acted his way to a win over Recco. I'm pretty irritated about it, so I'm going to wait to comment on it, if at all. The officiating towards Section V has been reallllly rough.

Royce tied 2-2 at the end of the second. Fell off the top and gave up 2 with 4 seconds left... this keeps happening... E1 to Royce's opponent and Colin is down 3-2. Other guy warned for stalling. 4 seconds left on a restart. Royce drops to 6th again, 3-2.

Block scoreless after the first. —ANDREW

- 2015-02-28 15:02:06** Schafer circling catches Bokina stepping in with a quick double that he switches off to a single, clears to the side and pops his hips up, drives in and finishes. Rides for a few seconds then gives up the free escape. 7-2 final = Schafer takes third. —ANDREW
- 2015-02-28 15:00:22** Schafer rides out the second. 5-0 heading into the third, on top. Head lever attempt, but unsuccessful - switches to a cradle attempt but Bokina stands up through it and Schafer relinquishes the escape to make it 5-1. Out of bounds and restarting with 1:15 on the clock —ANDREW
- 2015-02-28 14:58:14** Schafer w/ an inside stand up - peels the hand off his right ankle, turns in with underhooks and extends to get his E1. Quick, low shot to the outside nets him 2 points and he leads 5-0 with a minute left in the 2nd —ANDREW
- 2015-02-28 14:56:47** Schafer wrestling for 3rd (should be in the finals... still a sore subject...) vs Section 11's Bokina from Mattituck.
- Quick takedown for Schafer. 2-0 lead. He slips in a bar and would have scored off it, had they not been on the boundary. He settles and rides out the period. Bottom to start the second, Schafer is up quick but run out of bounds. —ANDREW
- 2015-02-28 14:54:13** Griffith gives up a mystery-point that I missed. Don't think he was hit for stalling... He escapes and ties it up 3-3. Then capitalizes on sloppy wrestling in neutral from Wang. Wang tries hiping over on bottom, Griffith locks up and gets near fall counts, but no points (must've been 2 1-counts...). Match ends 5-3 for Griffith.
- Strassner wins 5-3. Very active match.
- Cristales on top to start the third gives up an escape which ties it 1-1. He then takes his section IX opponent down to go up 3-1 and ride out the period and win the match. —ANDREW
- 2015-02-28 14:50:19** Griffith, I believe was reversed, and just completed a reversal of his own to tie the score up 2-2 in the second.
- Cristales 0-0 first period, takes bottom.
- Griffith warned for stalling on top. He gets in bad position, but could have a leg-half (for any readers who know what I'm talking about) and recover... instead he rides out the position to the period's end. 2-2 into the third, Griffith takes bottom.

Strassner just secured a nice takedown to go up 4-3 in the second with :20 on the clock in the 2nd.

Cristales escapes and goes up 1-0. 21 ticks on the clock left in the 2nd —ANDREW

2015-02-28 14:46:59 Section V has a couple wrestlers so far competing in these bouts -- Warsaw's Josh Griffith vs Edgemont's Tee Wang... Corey Cristales is warming up for one of these bouts. Hobie Strassner is also wrestling on the D1 side. He's up 2-0 in the first. —ANDREW

- 2015-02-28 12:31:17** 30 seconds left, no score in SV OT for Griffith. about 18 left, Griffith gets hit with a slide by, S3's feet are completely out, Griffith's body is in... Refs don't stop it and call it 2 on the mat return even though S3 was clearly out while lifting. Not a very good call at all... He makes the podium again this year... Which tells me Woodard not getting a wild-card is still just as absurd today as it was when I read he only got an A5... Anyyywhoooo... —ANDREW**
- 2015-02-28 12:05:37 Frankie Gissendanner on mat 6. Scoreless first minute, but he picks a nice high crotch to crotch lift and gets 2 with 55 seconds left in the first. They're out of bounds and have :32 on the clock —ANDREW**

Spann (3) Beats Dusold (8) at D2 120 —ANDREW

2015-02-28 11:51:10 Emerson Block stepping on Mat 8 vs Section XI opponent... Someone should print me out some updated brackets and teleport them to me lol... Anyway, S11 grabs a single and circles to space. Block is in trouble, but hooks the head and pops in his near leg - the one the kid has the single on. Locks up a merkle-position and is awarded 2. Very good awareness. Stalemate. Then the period ends. 2-0 Block. Neutral to start the 2nd. —ANDREW

2015-02-28 11:44:52 Gaiser gets an escape. 8-1. I gotta hand it to Develin, he's still working in neutral, or at least making it look good. Ref warns him for backing up, and rightfully so, but he's working Russians and controlling ties. Gaiser falls short, 8-1. That match is a lot closer without that early cradle... Gaiser could very well recover and take third today. —ANDREW

2015-02-28 11:43:00 Gaiser on top in the third. He's got boots in and looking to turn Develin. He gives up on legs... Develin opens up as soon as the legs come out and hits a reversal. 8-0, minute remaining —ANDREW

2015-02-28 11:41:40 Gaiser is trying to create shots in neutral. Develin has a really low stance and great reaction time... Every time Gaiser shoots in, it's low and under, but he's so low he doesn't have any real drive and gets buried under Develin's sprawl.

Period ends, Gaiser trailing 6-0 —ANDREW

Sliwoski on bottom, down 3-2, gets caught on his back -- he sat out and got sucked back in a chin pull. Gave up 3 back points. He's down 6-2 with 9 seconds left on a restart. And that's the match. —ANDREW

2015-02-28 11:24:48 2-2 for sliwoski, starting on top in the 2nd.

Schafer was in a scramble, came out the back door. S4 was on his back, holding an ankle. Schafer broke his grip, legs free on top with his head towards S4's ankles, locked up. And that's not counting the three takedowns he wasn't awarded. That is one of the biggest shaft-jobs I've seen in states in a while... Kid wrestled the boundary multiple times and got bailed out. It makes you long for college out-of-bounds rules... Unreal. Not even being an S5 homer... All of us along the media line are pretty PO'd —ANDREW

2015-02-28 11:21:29 Oh, WALKER got pinned, not Sliwoski... Wow. Bad start. —ANDREW

2015-02-28 11:20:28 Schafer works up, S4 cracks down. Out of bounds, 16 sec on the restart. Wow schafer is OUT and ref doesn't give it AGAIN. Wow, TERRIBLE. TEEEEERRIBLE. —ANDREW

2015-02-28 11:18:57 Boo birds are out! Schafer E1 off a long sit, peels the hands, and gets his one. Another takedown on the boundary, this time he was in. REf doesn't give it to him. Coaches are juuuuumping.

S4 deep on another shot. Schafer defending, near split position, college-style scramble trying to keep control... wow, this match is nuts. He somehow gets his hips under him and has 2 locked up but goes out of bounds by mere inches!

short time on the clock and he nearly has another takedown! wow, so close so many times.

He's bottom in the first :30 second 2OT TB —ANDREW

2015-02-28 11:10:43 Wolf gives up the escape, and it looks like S2 opponent hit a slide by on him (didn't see the start, only the finish) with roughly 20 seconds left. Period closes 3-2 with wolf trailing. Neutral to start the third and Wolf gets taken down. He looked like he was trying a spladel and lost it... Kid pops out and catches Sam's leg... Transitions to a cradle. :40 seconds left and Wolf gets out of it, but he's down 8-2.

Schafer escapes in the 2nd and leads 1-0. Was in deep on a shot he picked to a crotch lift but time ran out before he could finish.

Wolf drops 8-2, 1 round shy of placement. —ANDREW

2015-02-28 11:07:24 Schafer is evenly matched in neutral so far, shoots S4 opponent out of bounds with :35 left in the first. Lots of circling and feeling one another out.

Wolf in danger with legs in... bit of a scramble sees him regain control on top. Double legs in, running a power half. 1min 10sec gone and he's still up 2-0.

2015-02-28 10:04:18 Here at the arena and set up nice and early... I waited roughly 20-25 minutes last night, just hanging out, only to find out the announcer and stats guy left lol. So no team scores. Haven't heard them yet this morning and I haven't browsed other sites yet to see what the Sectional standings are. —ANDREW

**2015-02-27 22:14:13 All in all, at least on the D2 side of things, a very tough quarterfinal round was remedied a bit by the last two wrestle back rounds. A lot of guys still alive and one match from placing... A lot of them ended up going the hard route, but many of them should find their way to the podium tomorrow night. Gonna stick around for Team Scores (which will probably depress me a little) and head out for the night —

2015-02-27 21:52:50 Todd Brockuizen up vs Garrett Duvall, the bracket's #1 seed. Going out of bounds the ref blows the whistle... a little late action with Duvall cranking a two-on-one over Brockuizen's head while he was on his hand and knees left Brockuizen clutching his right arm... He's back up and fired up. Now he needs to contain it and not gas himself out. Scoreless first.

Duvall chooses bottom and earns an escape ~20 seconds into the period. Brockuizen is looking a bit overmatched in neutral so far as Duvall has nearly scored on 2 different takedowns going out of bounds.

Brockuizen shoots in and comes up with a bear hug around the body and tries some greco... doesn't work and he ends up in bad position and gives up 2... Defensive pin should have been called just now. Ref missed it twice, actually. Duvall was flat on his back for a solid second and a half each time. Brockuizen trails 3-0 heading into the third. —ANDREW

2015-02-27 21:46:20 Section 6 kid = Jake Penhollow of Falconer.

Decent action in the 3rd, but none of it has amounted to any points for either wrestler. Several shots that end in one guy sprawling and the other driving him out of bounds for a fresh start. Wilshire stops another shot attempt with 17 seconds left, stuffs the head and spins... no score. Match ends 5-0 -- Wilshire with the W. —ANDREW
