

MONROE COMMUNITY COLLEGE

Wrestling 1970-71

RULES: A match consists of three periods. The first, two minutes, period begins with both wrestlers standing. Each seeks to take the other down to the mat and pin him. A pin at any time ends the match. A pin consists of holding your opponents scapula area to the mat for one second. The second, three minutes, period starts with the wrestlers on the mat in the referees position. The bottom wrestlers seek to escape from, or reverse their opponent. The top wrestlers try to pin. The third period is like the second except that the wrestlers reverse positions at the start.
