

Tribune Matmen Pin Genesee CC

Monroe Community College won its wrestling season opener with a 31-6 decision over Genesee Community College last night at MCC.

Gary St. James, the Tribune quick-reflexed wrestler and a runnerup in last year's Regional tournament, highlighted the show with a pin over Tom Murray at 6:44.

St. James used a bar arm and a half-nelson en route for the victory. He normally wrestles in the 158-pound class, but was moved up to the 177 bracket last night.

Bob Hildebrant, of MCC, third in last year's Region tournament, scored a pin from a defensive position.

Genesee started the match with a decision, but Monroe took every other weight class, but the 190-pound grouping. The 134-pound class was a no-contest due to the fact that Monroe moved its wrestlers up one class to avoid winning the match by forfeit.

Other Tribune wrestlers who won outstanding matches were Mike Miller, with a takedown and escape, plus two points for riding time and Steve angiosi who used a cradle to get

his pin.
