3 Defending Champs Retain Titles★ In Sectional Wrestling Tournament

By PHIL KEUPER

Three defending champions retained their titles, and one dropped his crown in the Section 5 Class AA-A High School Wrestling Championships yesterday at Brockport State Teachers College.

Madison High's Bob Juliano and Lou Fusilli, along with Jefferson's lone entry—250-pound Bob Marella, kept their crowns in the 112, 175 and unlimited divisions, respectively.

Moses Gilbert of Madison, Sectional winner last year in the 120-pound class, moved up a notch this time and won the 127-pound title.

Jack Moracco of Geneva only other 1954 champ, was pinned by East's Nick Sanzotta in 1:58 of their 138-pound semifinal match. Sanzotta went on to take the laurels in that division, whipping Ed Shervin of Albion on a decision.

City entries dominated the rest of the finals. Two area finalists managed to salvage wins in their divisions to keep the Interscholastic League aggregation from making a clean sweep.

Jim Lewis of Hornell pinned West High's Dave Kelly in 2:52 in their 103-pound go. Will Brown of Geneva scored a win in the 133-pound class, coming from a big point deficit to pin Sam Randazzo of East in 3:37.

In a well-contested match, the 154-pound final, East High's Billy Noun, competing in the Sectionals for the first time, pinned Bill Smith of Albion in 2:22. Noun, unbeaten for two years in Inter-

scholastic League competition, was kept out of the Sectionals last year because of illness.

Veteran Lou Fusilli of Madison, now three-time champion in the 175-pound class, scored the quickest victory of the day, pinned Bob Hemmerick of Webster in 43 seconds.

A surprisingly big number of pins livened the action for the capacity crowd. In all, seven of the 11 weight division finals were decided in that manner.

Chuck DeLorenzo of Spencerport posted one of the two pins in the Class B finals for area schools, dropping Warsaw's Bob Ellis in 1:24 of their unlimited weight match. Norm Fugle of Attica scored the other, over Norm Schaeffer in the 120-pound battle.
