DON'T BELIEVE EVERYTHING YOU READ IN THE PAPERS

In this morning's D & C you may have read an article about Irondequoit's slim victory over Gates. In this article there are several misleading statements.

IHS does not lead the league. Eastridge does. Both are 4-0 so far, but EHS is defending champ, having beaten ihs 4 years in a row.

Also, in John Olesniuk's alleged personal record, they have apparently included JV matches (John did not even make varsity as a freshman) which is not supposed to be done.

MISCELLANEOUS NOTES:

DAN GORSKI pinned Gary Robinson of ihs in the EHS tournament December 29.

TOM PRINCE of EHS pinned Jeff Morris of ihs, same tournament.

TOM VOLPE pinned Steve St. James of ihs in under 20 seconds in said tournament.

Key matches in the meet today could be at 120, 127 and 180.

Hilton's Steve Gardner was runnerup in the County tournament last season.

Don't get upset by the sarcastic remarks made by the Irondequoit Press about our "slim" victory over Canandaigua, etc.

What else could you expect of a West Irondequoit paper??

Contrary to what you may think, Art Connorton isn't the editor.

LANCERS TAME SPENCERPORT

Saturday night, Eastridge beat Spencerport 30-13 in a crucial league meet at Spencerport. The always-tough Rangers can still finish 2nd in the division by beating ihs later this season. They easily beat Art Connorton's team last season, winning it before the heavyweight class.

NEXT EHS MEET
