

Sports Spotlight — Takedown!

Roscoe Hastings
Head Wrestling Coach

Roscoe moves up to the head coaching job after having spent the past three seasons as freshman coach. A Graduate of Brockport State, he has also coached wrestling and football at Warrensburg High School.

This year he will be bringing his freshman squad to the varsity with him. They produced an 8-1 record last year. He will also have numbers of his first fresh team which posted a 5-2 record.

At the high school level he started wrestling at Warrensburg High School, the smallest wrestling school in Section II, and brought them to a sectional championship in four seasons. In the four years his team posted a record of 25-15-2.

Roscoe is presently completing his M.S. degree in H. and P.E. at Brockport. He resides with his wife Ruth and daughter Wendy at LaChase Drive.

Roscoe Hastings (coach)

Jim Calandra 145 HPE

As a sophomore last year, Jim stepped into the varsity lineup when Rich Revelen was injured. He showed his great desire in posting a 205 record. Each opponent had to physically beat Jimmy because of his tremendous desire to succeed. He learned a lot in that first season and will be looking to reverse that record this year. Jim also plays football at Brockport.

Jim Calandra

Regen Beers Heavyweight Elem. Regen is a sophomore from Southwell, N.Y. He came to Brockport very much unknown but has changed that in a few months. After completing a successful football season he showed up on the mats and proceeded to tear apart eight men in a row to finish the season with eight wins without a loss. He then proceeded to the Buffalo AAU meet where he added two more wins and the 191 pound championship record. Coach Hastings has great respect for Regen and his determination. Last year in the dual match against U. of Buffalo the outcome of the match de-

Brockport Wrestlers for '67-'68

This will be the sixth season for wrestling at Brockport. Over the past five seasons the Eagles have always had a winning record posting an overall record by 31-13-3. All of these teams were coached by Mr. Tom McIntyre. This year under new head coach, Roscoe Hastings, the mat team will be out to continue their winning ways.

On paper this year's team looks strong. There are nine men returning from last years team which was 6-4-1. Offense nice, Bruce Turner, and Charlie Bol-

esh are defending SUNY champs, Bruce Rolland was a runner up, Joe Waitword was third, and Mike Herman fourth. Missing from last year's team are John Alessi, Ben Summler, and Rich Revelen. To compliment this group there is the freshmen team from last year which was 8-1. Outstanding performers from this group include Paul Gogol, Tom Buntich, Bill Brodmerkel, Frank Mials, and Regen Beers. Tom Thomas, who was an outstanding performer last year, will be sidelined this season due to an injury. Besides this fine talent

there are transfers Don Murray, Pete Brennan, Tom Holmes, and George Moonschein. Last year's injury list also surrenders some talent in Bob DeMarchi, Dave Duvey, Bill Brooks, and Dave Breyo.

The competition for starting positions in each weight class looks keen which means that a desire to be in the starting line up will force each man to work harder. There should be good team balance with strong men throughout the line up and all weight classes filled.

Tom Buntich 152 El. Ed.

Tom is another outstanding performer from last year's fresh team. He compiled a 602 record, but could have been 8-0 since his two losses were each by a single point. Tom is a great competitor who gives 110% for his team. As co-captain of last year's fresh team he was a true leader. Tom plays football in the fall and is also a B student.

Tom Buntich

ended upon the results of the heavyweight match. Regen knowing that he was meeting a high school state meet place winner, proceeded to rack up his eighth win and another team victory.

Regen Beers

Joe Waitword 160 HPE

Joe is a senior from East Islip, Long Island. A former SUNY champion, Joe will be out to record his best season ever. As a freshman Joe posted a 4-2-1 record. As a varsity performer Joe is 13-5-1. When a sophomore, Joe won the SUNY championship in the 152 pound weight class. What made this remarkable was that the day before the end of Christmas vacation he suffered an acute appendicitis and was sidelined until late in the season. Last year Joe finished third in the SUNY tournament but actually defeated the champion in a dual meet. It appears that Joe is returning to his sophomore year form since he is now suffering from an injury and must make a comeback.

Joe Waitword

Name of the Week

Wayne Jarlman

Due to a lack of space, an article about each wrestler is quite impossible. However, a few more to look out for this coming year are: Ralph Deniski (115), Tim Barge (130), Jack Mahoney (133), Woody Ramsey (145), John Leggett (145), Dave Loux (137), Rich Colgen (152), Abe Remson (152), Bill Brodmerkel (160), Bill Brooks (160), Frank Miale (160), George Moonschein (177), Dave Breyo (177), Ken Brickell (heavyweight).

Mr. Ben Summler
Freshman Coach

Ben changes roles this year from a competitor to a coach. He has been a letterman on the Eagle mat team for the past four years. During his freshman year he won 3 while losing 6 at the varsity level. The following year he was 7-1 posting four pins. Ben went 4-3 and 4-3-2 in his remaining two years for an overall record of 20-16-2. In SUNY tournament competition Ben finished second, third and fourth in four years.

Ben is from Burnt Hills, New York, where he wrestled in high school under Murray O'Neil. He is now working on his masters degree at Brockport.

Bruce Rolland 177 Science

Bruce may be the most underrated member of the Eagle team. A junior from Webster, Bruce has posted a great 7-1 record as a freshman. His only loss was by default. He also posted five pins. Last year as a sophomore Bruce added seven more wins to his record, losing a controversial decision by one point. He also had four pins. At the end of last season Bruce moved down to the 177 pound class. In the SUNY tournament he placed second when he was injured in the finals. Starting this season at 177 Bruce will be taking dead aim at Steve Tisa's pin record of seven in one session.

Bruce Rolland

Charlie Bolash 191 HPE

Charlie is a senior from South Glens Falls, N.Y. During his freshman year at Brockport he posted a 5-2 record. The next year as a sophomore he had a great season with an 8-0 record. He suffered an upset in the SUNY tournament but came back to finish third. Last year Chuck was 6-1 but gained revenge by winning the SUNY 191 pound title. He pinned the previous year's heavyweight champ in the finals. Charlie is a steady wrestler and a good team man. This season he may combine his sophomore and junior years and join Bruce and Coach Hastings at the Nationals.

Charlie Bolash

Bruce Turner 167 HPE

Bruce is a senior from Valley Stream, Long Island. He was a co-captain of the Eagle mat team last year and has lettered in football three years. In two of his first three years Bruce has been undefeated. During his freshman year he posted a 7-0 mark. His sophomore year he was unable to shake an injury jinx and finished with a 3-2-1 mark and 4th in the SUNY tournament. Last year Bruce had his best season finishing 10-0-1 and won the SUNY title with little opposition. He also posted a win over the SUNY 177 pound champion during the dual meet season. Bruce says that this year will be his best ever. He spent this summer assisting with a wrestling clinic and competed with some of the finest wrestlers in the country. Coach Hastings says that he and Bruce are planning a trip to Penn State in March, but we have a lot of work to accomplish in the meantime.
