WRESTLING TEAM

PROGRAM

**** RULES OF SCORING WRESTLING ****

Positions:

- Neutral - On the feet or knees, with contestants facing each other, or when each is free of the other's control.
- Top - Position of advantage when one contestant has opponent under control.
- Bottom - Position of contestant is controlled by opponent.

Object of Each Match:

1. To gain a fall by pinning an opponent, or
2. To gain a decision by out-wrestling an opponent.

Length & Conduct of Matches:

Matches shall consist of three two-minute periods. The first two minute period shall start from the neutral position with both contestants on their feet. A fall in any period terminates the match. If neither contestant secures a fall in the first two-minute period, contestants are put in the "Referee's Position on the Mat" with one contestant in the top position, with no rest being allowed. The third period is started the same as the second with the contestants' positions reversed.

To Win By A Fall:

Pin falls only shall count. (Flying or rolling falls shall not be considered.) Any part of both shoulders held in contact with the mat for a Referee's silent count of two seconds constitutes a fall. A fall shall not be awarded when one or both shoulders of the defensive wrestler are off the mat.

To Win By A Decision:

When no fall has been secured, the referee shall award the match to the contestant who scored the greatest number of points, but if the points are equal in a tournament there shall be an over-time period to decide the better wrestler. Points are scored as follows:

- 2 Points, Takedown - Gaining a position of advantage from the neutral position on the feet.
- 2 Points, Reversal - Gaining a position of advantage from the bottom.
- 1 Point, Escape - Gaining a neutral position from the bottom.
- 3 Points, Near Fall - When both shoulders are held in contact with the mat for one second, or held within two inches of the mat for two seconds.
- 2 Points, Predicament - When the offensive wrestler has control of his opponent in a pinning combination and a fall or near fall is imminent.
- 1 Point, Time Advantage - Time on top of an opponent after gaining the advantage. One contestant must have at least one minute more to gain this point.
