9th Annual: Coaches will weigh in their own wrestlers and enter in proper weight classes,
And then random draw will be used for Placement. JV coaches were very helpful in
running this Tournament last year. Their help again will be needed to make
it work. Last year JV numbers were down we will match wrestlers up the best we can
No promises all wrestlers will get a match. We will wrestle up to five matches if
enough in a weight class.

JV rosters: Coaches please indicate the number of JV wrestlers you think you will bring on the
confirmation sheet. (if numbers are up we will add another mat)
