

# CROSS COUNTRY

The cross country team had another very successful season, winning four of the five meets they participated in.

They won a very close meet at Barker by a score of 116-115. This win brought home the third trophy in three consecutive years.

To end the season the boys met victory at the Section Five Class B Championship at Geneva again for the second year in a row.

This year a new course record was set by Floyd Farley in a time of 10:52 in the 2.2 mile run. This is 14 seconds better than a previous record made by Robert Newman.

John Dennis, COACH

The wrestling squad got off to a bad start and couldn't get out of the rut. They went through the season without a win due to lack of experience. There were only 7 returnees from last year's squad. The squad was coached by two Alfred University students; Mr. John Dennis and Mr. Dick Erico. The fellows gained a great deal of experience from the excellent coaching they received from Mr. Dennis and Mr. Erico.
