Although Aquinas has been around for fifty years there is still room for growth. This was evident this year with the adoption of a wrestling team. Under the direction of Mr. Johnson thirty boys entered the new program. This gave the boys an opportunity to compete on an interscholastic J-V level.

Although team scores were not kept, certain individuals can be cited as outstanding contributors to our newest athletic endeavor. Captain Steve Kowalczyk won 4 of his matches with two of his wins by pins. Steve also finished third in the C-C JV Championships. Co-captain Larry Teta won five (four by pins) and lost two. Larry placed second in his weight class in the Championships held at the end of the year. The other co-captain, Jim Rogers had an undefeated season and placed fourth in the championships. Freshman Wade Davis lead the team in pins with six while only losing two matches.

After the good showing of the wrestling team (46 — 48 — 2) Mr. Johnson hopes that within the next couple of years the wrestling team will become the next varsity sport at Aquinas.
