

Wrestling 1983

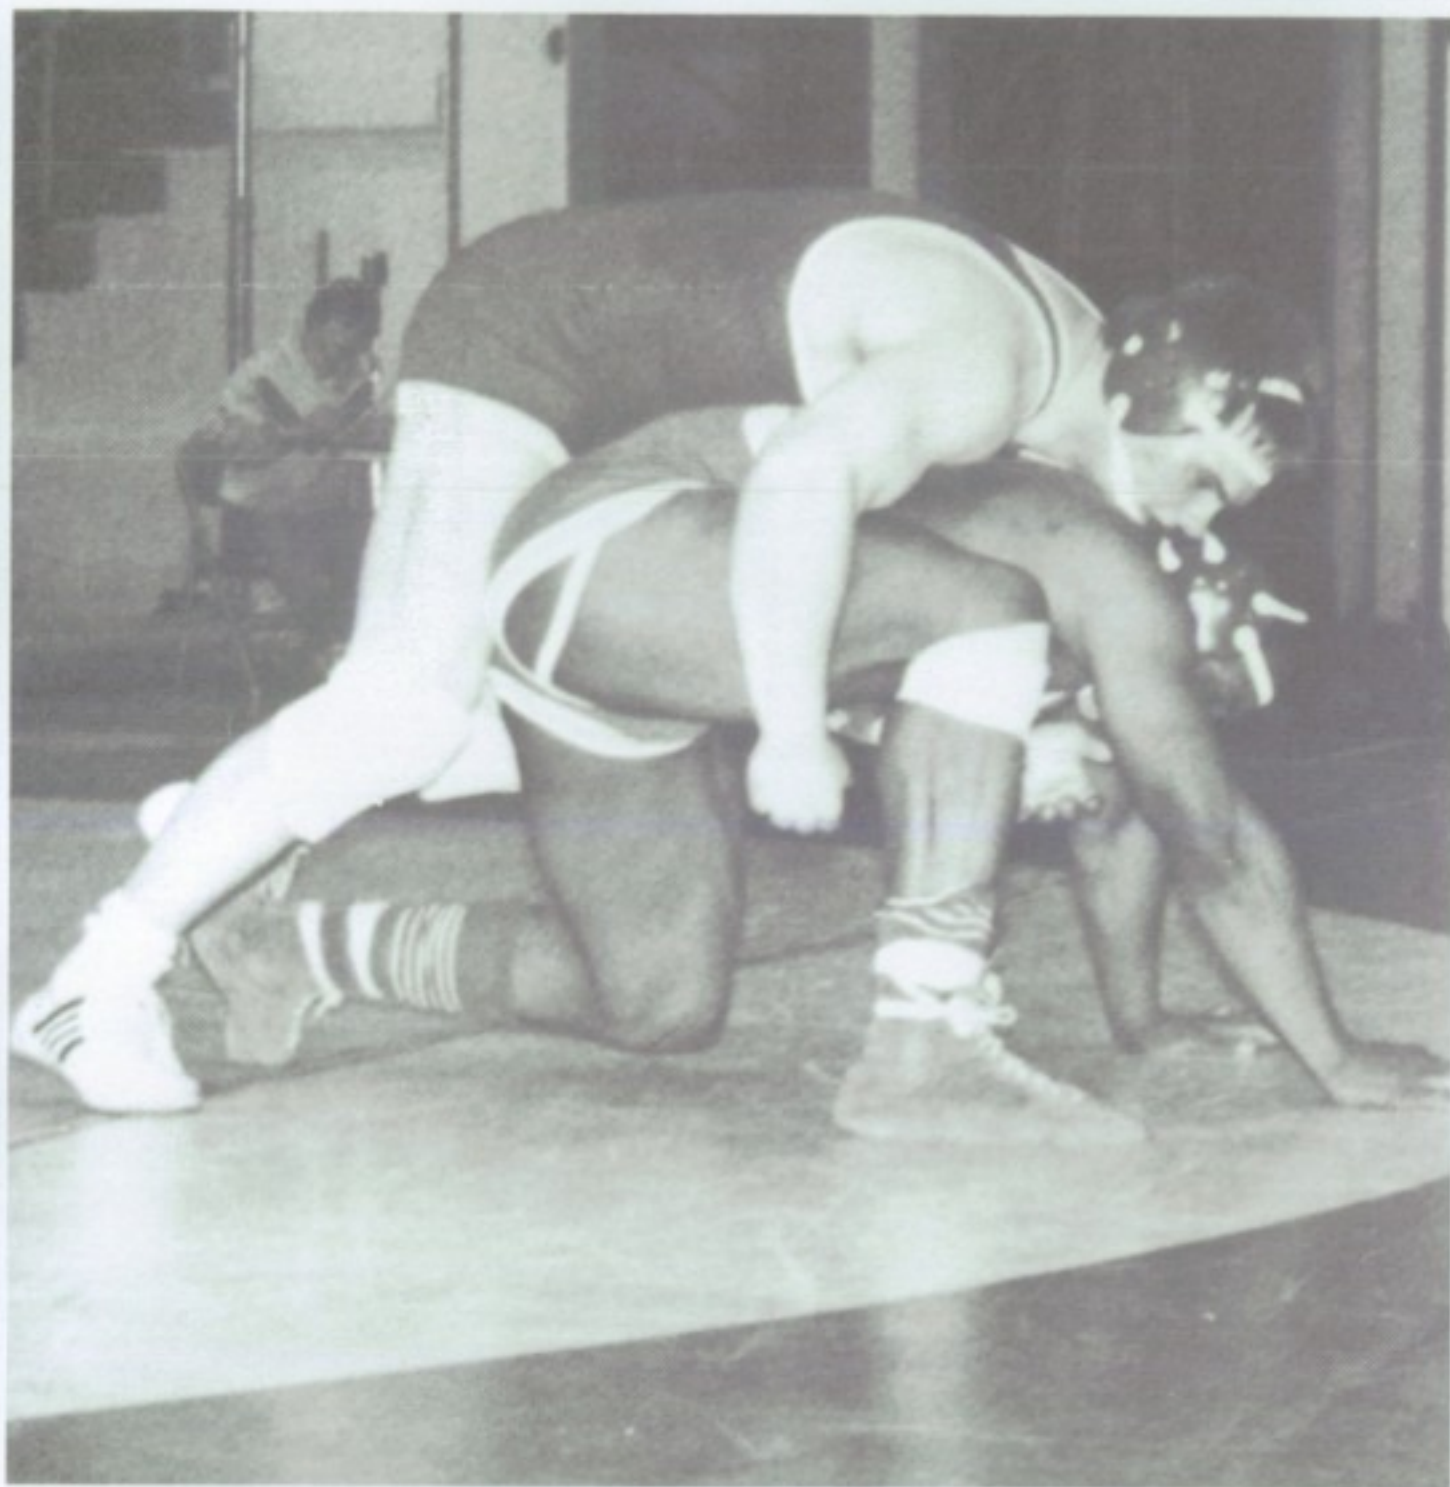

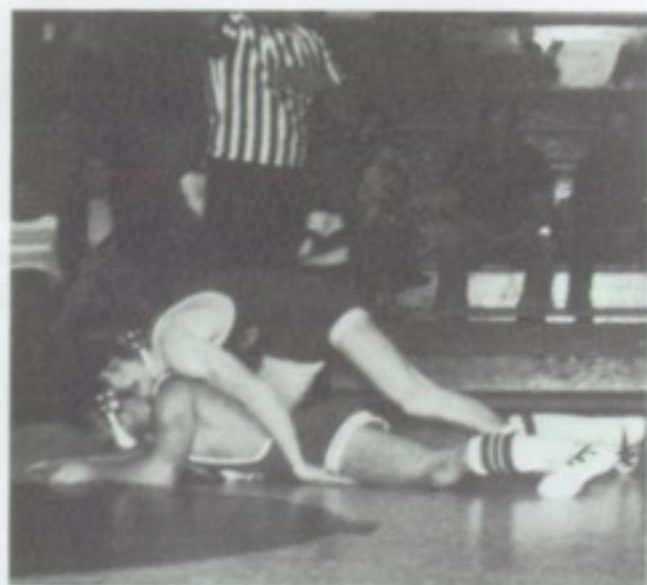

This year's J.V. wrestling team has pinned their way to victory time and time again. In a total of sixteen matches their record is 13-3. They're 6th in the league. Special thanks for the efforts of Kurt Bostosch, Shawn Lawler, Jim Nudd, and Jim Kennedy for their efforts and participation in grueling matches including the 7 tournaments in which they entered. According to their coach, Mr. Perhamus, this year's team is younger on the average than in earlier seasons. But he says that what they lack in age, they make up in determination, coverage and team spirit! Coach Perhamus and the J.V. team will continue their training during the summer to gain experience and build confidence. Next year - Watch Out!

The Varsity wrestlers had over 100 straight league wins this year, taking the league title. They had five sectional winners, and placed second in Sectionals. Four wrestlers went to the State Championships, with first place going to Marty King, second places to Paul Lamphier and Burch Hibbard, and fifth place to Tim Mincer. The wrestlers had one of the best years ever! They would like to thank Mr. Reynolds for a fine job of coaching and the supportive C.A. parents and fans.
