

WRESTLING TEAM

Row One: Chris Bannister, Matt Todaro, Steve Sacco, Don Luther, Jason McKinsey, Mike Uveino

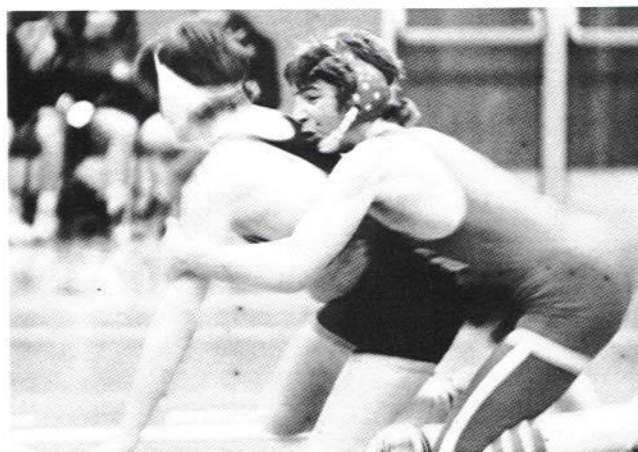

Row Two: Coach Lawrence, Rusty Sterry, Rusty Shearing, John Szucs, Jason Beachel, Kevin Sherman, Coach Robbins

Absent: Jason Hill

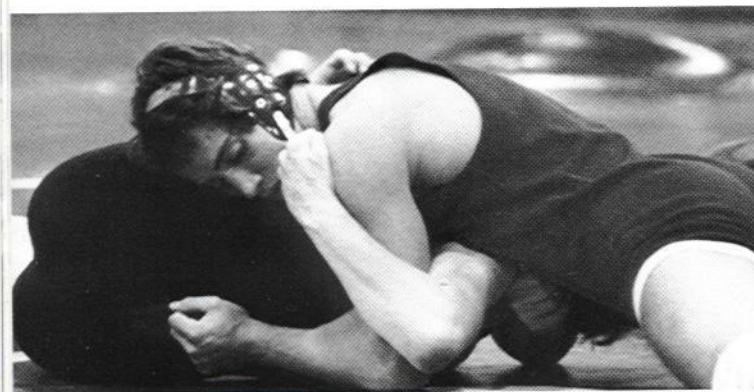

The services of seniors John Szucs, Steve Sacco, and Tom Gozelski will be sorely missed. All were four-year team members and have been an integral part of the team's success. Injuries may have hampered Steve and Tom, but they were always around to help out in any way. It is impossible to recall when John missed a meet, a practice or a tournament — quite an accomplishment for a young person today. LCS hopes to have wrestlers like Sacco, Szucs and Gozelski who exemplify dedication and commitment.

A vise-grip finishes a fall for Rick Shearing.

Steve works at a breakdown.

"Just settle down and it'll soon be over." (Jason Beachel)

Indian Headache Number 138

Pin time for Sterry.
