# AFS: SMILES FROM SWEDEN

"I am 18 years old and a senior. Being here is a great experience although lifestyle isn't too different from what I am used to in Sweden. The biggest change for me was to be living in the country. I live in a city of about the same size as Batavia back home. But adjusting to this new environment has been quite easy.

To get to know people I enjoyed sports. Football for example, which

we don't have in Sweden, I learned how to play and that is really memories to take back. I wish we did a little better than we did, though.

School has also helped getting friends. The atmosphere at Pembroke is very friendly and the spirit around the school is a nice thing. Altogether this year has been a great year and watch it — I'll be back visiting as soon as possible."
