

Captain D'Elia

Wrestling

Varsity wrestling proved unequal to a difficult season and inexperience this year. With but four letter men as a nucleus, the team was represented largely by Frosh and new-comers to the squad.

The first two meets with an undefeated Rochester Mechanics team saw the Purple go down outclassed and outgeneraled. The grapplers, however, regained their prestige in a decisive home victory over Brooklyn Polytech, 20½-10½. The annual New England trip then yielded a 24-8 decision over Williams, but Brown and Springfield, two of the strongest teams in the East, both scored heavily against the Purple matmen, Syracuse,

another wiry opponent, writhed its way to a close 16-11 victory in the last home meet of the season.

Captain D'Elia, Gallup, and Atwood shared the honors in the 115-lb. class with a small degree of success, while Sanchez held undisputed possession of the 125-lb. post. Sadler and Boulton took turns in the 135-lb. event, and Hambel and Grantier made the 145-lb. class one of the bright spots of the season. The 155 and 165-lb. classes were taken by a large group of representatives with Lane, Staiman, and Phillips furnishing some outstanding work. Fredericks lost but one decision in the 175-lb. class, while Bryant performed the best in the unlimited position.
