KODAK High has entered another sport this year. When Coach Mackelvey issued the first call for wrestlers, six candidates responded. At first it was thought that we would not enter a team in the league because of our small numbers, but after much hard work we were able to find a representative for every class except the heavyweight. The lack of a man for this class was a handicap throughout the season. We had a practice meet with West High and the Occidentals, knowing that this was our first year on the mat, gave advice and showed us many helpful tricks. Realizing after this meet that we had several things to learn, we spent many afternoons at hard practice and training. We developed rapidly and some new men reported to strengthen the team. We wrestled against East, West, Technical and Charlotte Highs, who are much more experienced than we, having had wrestling teams for several years. The Kodak grapplers showed fine spirit and managed to offer stiff opposition although they had just entered the sport. The big success of the season was the defeat of Charlotte High School, 23 to 15. Next year all letter men will return and Kodak should have a winning wrestling team.

LINE-UP

Albert Moyse—105 lbs.
David Jardine—105 lbs.
