

WRESTLING

"Oh, I was proud of the boys . . . It was a lot of fun this year, even though I had to maul Mr. Robbins after school every night . . . I've got to admit, though, he's the second best wrestler in the school . . . after me, of course."

John Roche,
co-captain

"If you think you dare not, you don't. If you'd like to win, but you think you can't, it's almost a cinch you won't. Life's battles don't always go to the stronger or faster man; Sooner or later the man who wins is the fellow who thinks he can. Out in the world you'll find, success begins with a fellow's will . . . It's all in a state of mind."
