Wrestling

This year's wrestling team, captained by Mike Palmer and Jim Campobello, ended the 1965-1966 season with a record of 2-11-0. The team wrestled against very strong competition and individually showed themselves to be fine wrestlers. Jim Baker set a new school pinning record of 11 seconds.

Coach Cargill has very high hopes for next year's wrestling team, as this past year was basically a building season.
