Varsity Coach Robert Wilson

Assistant Coach Eugene Hiller

The wrestlers, possessors of the best won and lost record of any of the University athletic teams over the three years previous to this one, started the 1941 season with but one returning letterman and only a handful of men who had ever participated in intercollegiate competition. As a result, the Blue and White matmen went through their schedule without a victory to balance six defeats. Tony Spadaro, team captain, and Cliff Schmitt, Pharmacy seniors, and Jack Newhouse saw their last mat action with this year's squad.
