NT's third newest sport began in the 1960-61 season under the organization and direction of Mr. Rotundo. With that same "can't-pin-me-down" attitude as characterized their first year, and with the help of new assistant coach Korzelius, the wrestling team puts forth power and determination that is hard indeed to match.

SWIMMING

These eager beavers appear six times a week to swim a distance of about two miles daily. With Blue Angels flying under head Coach Jack Christman, Red Devils kicking for JayVee Coach Thomas Colgrove, and Frosh pulling for the future with Michael Eberwein, it's no wonder NT's pool is surrounded at meets by an overflow of fans.
