

WRESTLERS

LEFT TO RIGHT: G. Yager, B. Davis, G. Jeffords, E. Davis, B. Hill, D. Griggs, L. Evans, L. Beardsley, Mr. Shaw.

The Fillmore Athletic Program has added a new sport to its list - Wrestling. The squad did considerably well when you realize their inexperience. Yager, Jeffords, Griggs, and Evans went to the county semi-finals and Evans emerged victorious. Lyle later lost the county championship in his weight class by a margin of three seconds.

Fillmore had meets with Belmont, Alfred-Almond, Wellsville, Aracde, and Letchworth.

All the grapplers will be returning in 1961-62, and we are predicting a good season. We hope an interest will be developed by the students for the sport.

COACH--Mr. Jack Shaw.
