The 2011-2012 Ripley wrestling team had many accomplishments this season including a trip to Albany for the NYSPHSAA Championships. The team finished the year with a 12-2 dual meet record. Team successes included: finishing second at the Byron Bergen tournament in Section Five's Rochester area, finishing second at the Cassadaga Duals, winning the 14 team Ripley Invitational (hosting schools from Ohio, Pennsylvania and New York) and winning the Section Six tournament, making the team the Section Six Class D champions, and sending 10 of our 15 wrestlers to the state qualifier while placing three there. Emory Rowe finished in the top 8 in the state at his weight class, with one win away from becoming All-State. Sawyer Tessmer was given the Josephine Sisley Overachiever scholarship at the STWOA Tournament this year. Eight wrestlers finished the year with over 25 wins. Three of these wrestlers finished their careers with over 100 wins. Eleven wrestlers were named to the CCAA Division II All Star team.

The 26 varsity wrestlers and 9 modified wrestlers from Westfield and Ripley came together for the first time to create great friendships and a very solid team effort. All coaches and wrestlers stepped up to the challenge and this brought a new excitement to the program. With a year under their belt, and next season already looking bright, this has been an all-around great experience.
