The 2009-2010 Ripley Wrestling Team finished the season with a 4-4 record and placed fourth in Division III. Eight members of the team were named Division III All Stars. They were a very young team with only five returning wrestlers. We will be losing one senior this year in Ron Swan who ended his career with 94 career wins. His presence in the wrestling room will be missed. With eleven underclassmen the team looks to come back strong next year. The team had two individual wrestlers reach the 100 career win mark this season. Justin Hunt ended the year with 122 wins and Emory Rowe ended the season with 109. Both wrestlers were Class A Champions. Justin Hunt finished the year with a second place finish in the section 6 championship. Emory Rowe was a Section 6 champion and finished the year at the NYSPHSAA Wrestling championships at the Times Union Center in Albany, NY where he was one match away from placing All-State.
