

# Go The Whole Six Minutes

"The Ripley Wrestling season ended with a team record of 10-3 and the team was Co-Champions in Division B. This was the teams 16th Championship in 41 years. Senior J. Hunt made the trip to Albany for the NYSPHSAA Championships and finished off his career with 163 wins. E. Rowe and M. Meredith both placed in the Section 6 State Qualifier. While A. Carvallo competed for the first time and ended his season with 25 wins. There was a young core on this year's team including freshmen: G. Einfeldt, Justin Gross, C. Parnell, A. Swan, sophomore T. Enterline, and Juniors: D. DuLong, S. Tessmer. With this group returning next season already looks bright. With the first year additions of senior A. Judd, J. Liu, A. Resulzade, and W. Nutthapornpong this helped in winning the championship. They will be missed next season." Coach Brad Rowe
