

WRESTLING

The revival of wrestling as a varsity sport found great favor in the school, which was shown by the spirit of both team members and spectators.

Notwithstanding a schedule of only four meets, the team afforded a programme of extreme value.

Gordon Barons, student coach, was high scorer, taking three falls and a forfeit. Louis Nealy came second with a fall and two decisions. Of the new men this year much credit must be given to Garafolo, O'Connell and Shadbolt.

With the veteran wrestlers who will return next year, the prospects for the following season look exceptionally promising.
