1225 WEST STATE STREET, OLEAN, NEW YORK 14760

Dear Patron,

The Olean Area Jaycees wish to take this time to thank you for your patronage here at this tournament. The proceeds from this venture will be donated to Muscular Dystrophy, Olean High School Wrestling Booster Club, Downtown Decorations and other worthwhile groups. By doing this, the wrestlers of the "Big 30" are afforded more experience and "Jerry's Kids" are given a further chance to lead a normal life.

Other programs sponsored by the Olean Area Jaycees during the past year were: JFK Run, in which over 200 persons participated; Magic Show from which proceeds went to the SPCA; a donation to help buy a new mini-bus for Cattaraugus Community Action to name a few.

The local chapter also sponsors programs to help build a better individual, such as programs in personal development, personal financial management, effective use of time, and spiritual development programs such as Positive Family Attitude Power, and One More Inch to Fly.

Individuals also are afforded leadership training through project chairmanships, local offices in the chapter, state-wide offices, and state-wide chairmanships, and a program entitled Leadership Development.

Thus, the basic concept of Jaycees is formed, as symbolized by the large triangle seen on the wall chart. The circle symbolizes the individual member surrounded by the interaction of Community Development, Leadership Development, and Personal Development. All three help "build" a better name and a better community in which to live.

Again, thank you for supporting the Olean Area Jaycees.
