

WRESTLING

Although this year was expected to be one of rebuilding, Coach Ron LaRoque's matmen have encountered more adversities than expected. The loss of versatile Bill Miner, early in the season, coupled with other ill-timed injuries have handicapped the Bulls in their rigorous mat schedule. Captain Norm Keller and undefeated Gary Fowler have been outstanding for the matmen. The return of nine lettermen and the addition of several excellent frosh prospects will enable the team to improve on this year's record, barring injuries of course.
