Wrestling

The Wrestling Team, in only its third year of varsity competition, did remarkably well. Under the guidance of Mr. Ricci, the team developed into a strong unit. Captained by Alan Soanes, who was undefeated during the regular season, the team showed a lot of spirit.

The team wrestled other schools having much more experience than our boys. Such schools as: Attica, champion of Wyoming County, Medina, another area powerhouse, The New York State School for the Blind, Caledonia, Livonia, and Perry. The highlight of the year was the 42 to 3 drubbing of Caledonia.

In sectional competition three of our boys qualified for the quarter finals. They were Sam Sanfratello (120), George Way (127), and Alan Soanes (180). All three were defeated in their matches.
