After a decade, I think that wrestling has finally become a traditional athletic endeavor here at Avoca Central. During the last two seasons I have experienced a "once in a lifetime" feeling with this team. The memories of our moments together will stay with me for the rest of my life.

To the 5 men and 8 women who are seniors, my best wishes for success and happiness. To those of you who remain, I trust you'll attempt to carry on the traditions in wrestling here at Avoca.

COACH

How much I wish we could start all over again. My dreams of 7 years ago have more than come true.

Thanks so much.
