## '70-'71

"The Cardinal Mooney Varsity Wrestling Team opened its winning season against West High, the only team to beat Mooney last year. The grapplers continued to pile up eleven straight wins, the longest winning streak of the City-Catholic League.

The Cards ended up in second place in the City-Catholic League as a result of a loss to Madison.

Besides their outstanding success in dual meets, the team enjoyed a good measure of success in participating in three tournaments: the team finished 7th in the Webster Tournament, 1st in the Greece Christmas Tournament, and 5th in the Catholic Regional Tournament."
