JUNIOR VARSITY WRESTLING

Southside's J.V. team consistently managed to do a superior job. What they lacked in size, they made up for in speed, skill, and sheer will-power. Their impressive record of 12-2 shows what team effort can accomplish. The Junior Varsity squad will certainly provide excellent material to insure many future victories on the mats.

VARSITY WRESTLING

The 1965-1966 wrestling season was a big one for Southside's varsity squad. Their final record was a commendable 13-1. The Hornets also sent two representatives to the state championship match—Mark Stephens and Greg Swimelar. Both boys won sectional honors and Mark came home victorious from the State Championship.

The determination and skill shown by these grapplers was remarkable; they are a credit to themselves, to Southside, and to Tom Hurley, their coach. His efforts on their behalf have brought successful results again this year as the boys presented him with his 108th victory.

Mark Swimelar up-ends his opponent.

S.H.S. students give Coach Hurley and sectional champions Mark Stephens and Greg Swimelar a rousing sendoff as they go on to state competition.
